

Commemorating the 80th Anniversary of Victory in the Chinese People's War of Resistance against Japanese Aggression and in the World Anti-Fascist War

In celebration of the 80th Anniversary of Victory in the Chinese People's War of Resistance against Japanese Aggression and the World Anti-Fascist War, our school held a solemn flag-raising ceremony, symbolizing our national pride and remembrance. Following this, a speech under the national flag was delivered, reflecting on the sacrifices made during this pivotal time in history. A military parade was also broadcasted, honoring the bravery and resilience of those who fought for peace and justice. This event serves not only as a tribute to the past but also as a reminder of our commitment to uphold the values of unity and strength in the face of adversity.
